

## Ockwells Economy Tarpaulins

80gsm Economy Tarpaulins are lightweight and easy to handle and are widely used as temporary waterproof covers for applications such as groundsheets, log store covers, building site covers and winter grit and salt stack covers.

Our economy tarpaulins have 12mm aluminium eyelets at metre intervals in rope reinforced hems and are flexible even in sub-zero temperatures. With an 8 x 8 weave count, our poly tarps are UV protected, rotproof and shrink proof. Popular in domestic and commercial settings alike, these waterproof tarpaulins offer the user a reliable and cost-effective temporary covering solution.
